## *A few words from the chair*

DSE was founded in 1976 to support education and research on Europe and the EU in Denmark. In light of the dramatic events unfolding daily in the Euro-crisis, along with the coming Danish Presidency of the Council, there is a pressing need for scholarly knowledge and debate about Europe and the EU in Denmark.

Given the complex nature of the challenges facing the EU, DSE's goal of interdisciplinary exchange between different fields (economics, history, law, political science and beyond) is also even more relevant today.

The annual DSE meeting held in Odense on the 29<sup>th</sup>-30<sup>th</sup> of September, 2011 was a good opportunity to take stock of the study of Europe in Denmark. Over 50 Europeanists presented research representing the impressive quality and breadth of our research community. A warm thanks is hereby sent to the organizers (Christilla Roederer-Rynning and Niels Lachmann).

Professor Finn Laursen was also presented at the meeting with an honorary membership of DSE for his lasting contributions to the field in Denmark through research, teaching and professional work.

DSE has introduced a small fund for supporting research activities on Europe in Denmark, especially those that promote cooperation between institutions.

The DSE Fund was approved by the board at the annual meeting in September 2011. The text of the fund and procedure for application is the following (in Danish).

## Procedure til DSE støtte af Ph.D. netværk og forskningseminar

DSE støtter aktiviteter som fremmer forskning om det europæiske samarbejde i Danmark. Forankringer ligger i studiet af den Europæiske Union (EU), men andre organisationer og relationer er også relevant.

Der er to formal som kan støttes finansielt af DSE med beløb på op til 5.000 kr per ansøgning, særligt projekter som fremmer samarbejdet mellem DSE's medlemsinstitutioner.

- 1) Oprettelse og driften af et netværk af Ph.D. studerende i Danmark som studere europæisk integration, bredt forstået.
- 2) Understøttelse af forskningsseminar og lignende videnskabelige aktiviteter afholdt i Danmark med fokus på europæisk integration, bredt forstået.

Proceduren:

Der kan løbende indsendes ansøgningen til DSE, som efterfølgende vil blive behandlet i bestyrelsen. Ansøgningen skal kort beskrive aktiviteten (maks 1-2 sider), projektets deltagere, samt indeholder et detaljeret budget (maks 1 side) og en CV af ansøgeren (maks 1 side). Der er ikke en skema til selve ansøgningen.

Ansøgningen skal indsendes til DSE's formand, og henvendelse vedrørende støtte kan også rettes til DSE's formand.

Ansøgningen skal godkendes af et simpelt flertal af de tilstedeværende bestyrelsesmedlemmer. Ansøgeren vil få besked umiddelbart efter behandling – senest tre måneder efter indsendelsen.

Hvis der gives støtte forventes det, at der skal indsendes rapport og bilag om aktiviteten til kassereren og formanden senest 3 måneder efter det er afholdt.

## News and networks

- The network European Integration and the Global Political Economy (<http://www.ces.columbia.edu/research/research-networks/european-integration>), established under the auspices of the Council for European Studies has a dual focus. It analyzes the extent to which the EU impacts on-going reform dynamics in the aftermath of the 2008 financial crisis, focusing on the ideational and strategic influence of the EU on key actors, and how they impact countries with differing institutional legacies and contexts. It also focuses on governance and decision-making through the Lisbon Treaty in a broad range of policy areas, and how these relate to issues of popular legitimacy and contestation in the EU. If you are interested in joining the network, please contact Caroline de la Porte , University of Southern Denmark, Odense or Claes Belfrage , Queen Mary University, London. For a full description of the network see: [http://www.sdu.dk/Om\\_SDU/Institutter\\_centre/C\\_Velfaerd/Research/Council+of+European+Studies+Research+Network](http://www.sdu.dk/Om_SDU/Institutter_centre/C_Velfaerd/Research/Council+of+European+Studies+Research+Network)
- The Department of Business and Politics hosts the Jean Monnet Centre of Excellence at Copenhagen Business School. The Center develops and advances research, education and dissemination about different aspects of the European Union, with a special focus on the business approach. It was created in September 2010 with a grant from the EACEA, European Commission. The centre's website: <http://www.cbs.dk/Forskning/Institutter-centre/Projekter/Jean-Monnet-European-Centre-of-Excellence>
- SDU's Europolitics research seminars: please check the seminar series on our **Europolitics** website (. The "Euro-politics" research group at SDU, established in the fall of 2009, endeavors to contribute to outstanding research and academic debate in European integration theory, EU institutions and governance, EU policy-making and Europeanization. The group aims to provide visibility about its members' research interests to other departments at the university, to other universities, to interest organizations and to the media. Europolitics seminars are public events but it is preferable to contact Caroline de la Porte [cpo@sam.sdu.dk](mailto:cpo@sam.sdu.dk) for prior information. ## *Om DSE*

Dansk Selskab for Europaforskning (DSE) blev dannet i 1976 med henblik på at inspirere og støtte diskussioner om udviklinger i Europa.

DSE har to officielle formål. DSE skal fremme forskning og undervisning i alle aspekter af europæisk samarbejde – administrative, politiske, juridiske, økonomiske, og sociale. Forankringer ligger i studiet af den Europæiske Union (EU), men andre organisationer og relationer inddrages også. DSE skal desuden fremme samarbejdet mellem DSE medlemmer og andre foreninger med et tilsvarende formål.

DSE tilhører medlemmerne, og alle som fra en videnskabelig vinkel beskæftiger sig med Europa kan blive medlem. DSE's økonomiske råderum udgøres af medlemsindbetalinger. DSE modtager ingen former for offentlige støtte og er politisk som finansiel uafhængig.

DSE organiserer egne møder, heriblandt årsmødet. På møderne kan alle medlemmer fremlægge forskning og deltage i debatterne. Til årsmøderne inviteres en eller flere gæster til at stimulere debatten omkring et særligt europæisk tema. Disse gæster er typisk internationale forskere eller danske politikere og embedsmænd. DSE støtter andre konferencer og møder, organisatorisk såvel som økonomisk. DSE bidrager således til en bred og alsidig debat om europæiske forhold. Alle medlemmer inviteres til disse arrangementer.

DSE er en del af et større internationalt netværk vedr. Europa-forskning: The European Community Studies Association (ECSA), som er en paraplyorganisation for nationale ECSA-organisationer. DSE er det danske medlem. Dette netværk giver adgang til et væld af informationer om Europa og Europa-forskning.
